
How to Succeed?

a 15 point plan...

How to Succeed

Don't talk negatively about people behind their backs.

If you gossip, people won't confide in you.

How to Succeed

**Work on something that is challenging.
You'll learn more in a year than 4 years of college.**

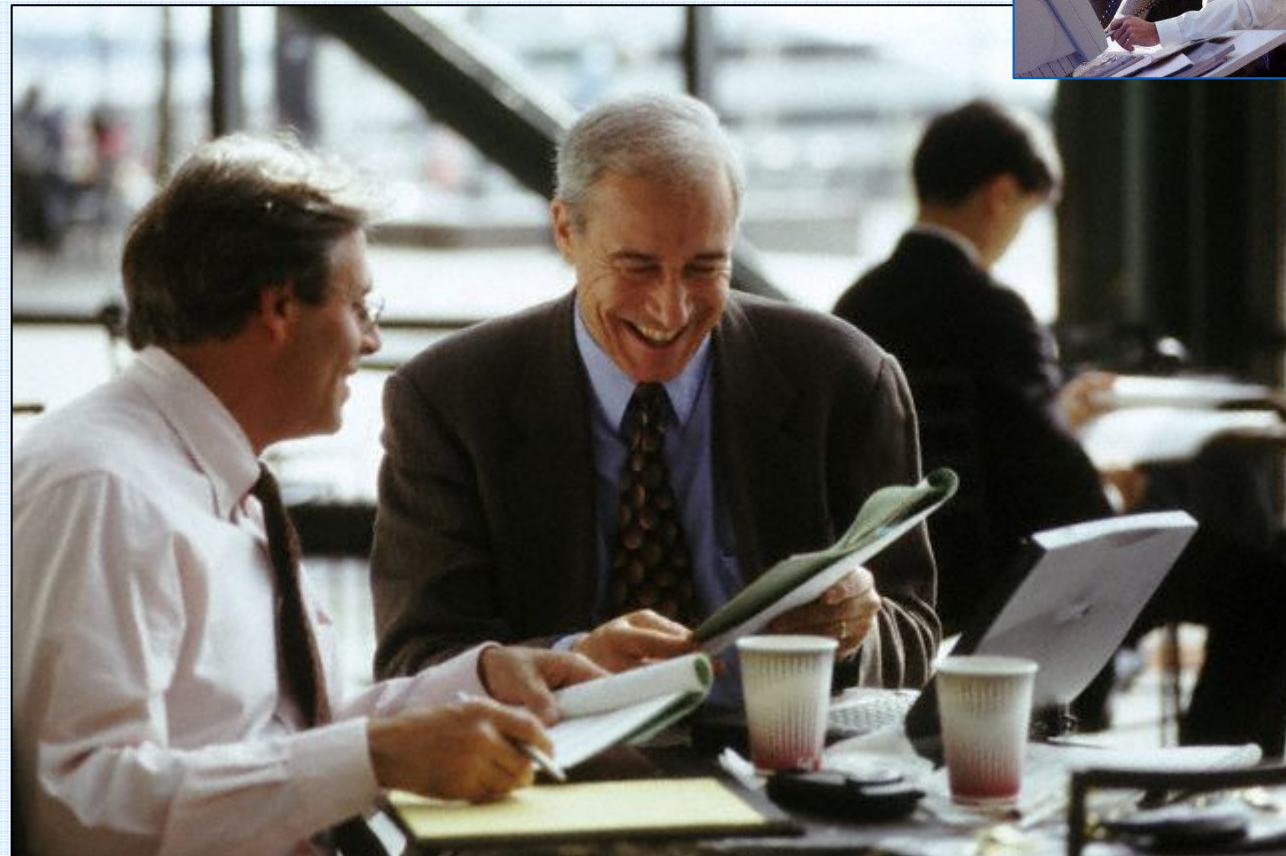

How to Succeed

Successful people have good communication, psychological and philosophical skills. They keep on learning from themselves, from people, including their juniors, and events.

How to Succeed

Work in such a way that makes your people feel good
look good truly .
No flattery.

How to Succeed

On downsizing, the first to go are those with low market value – therefore UP YOUR MARKET VALUE.

Competent people are in great demand everywhere.

How to Succeed

**Dress for the job you want,
not the one you have. Feel good and your will do good.**

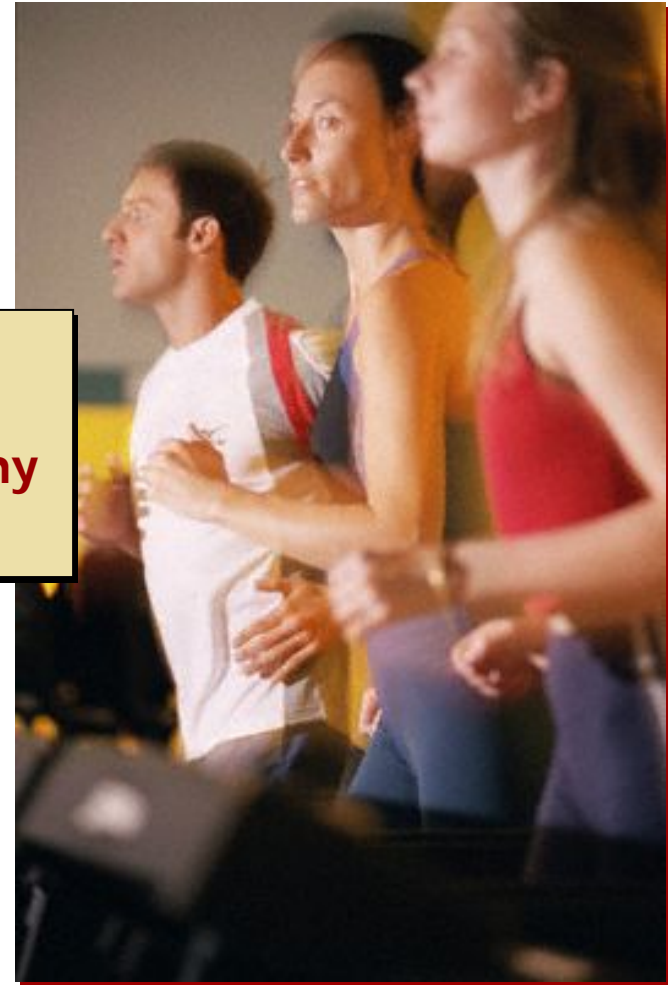

Let your dress reflect professionalism.

How to Succeed

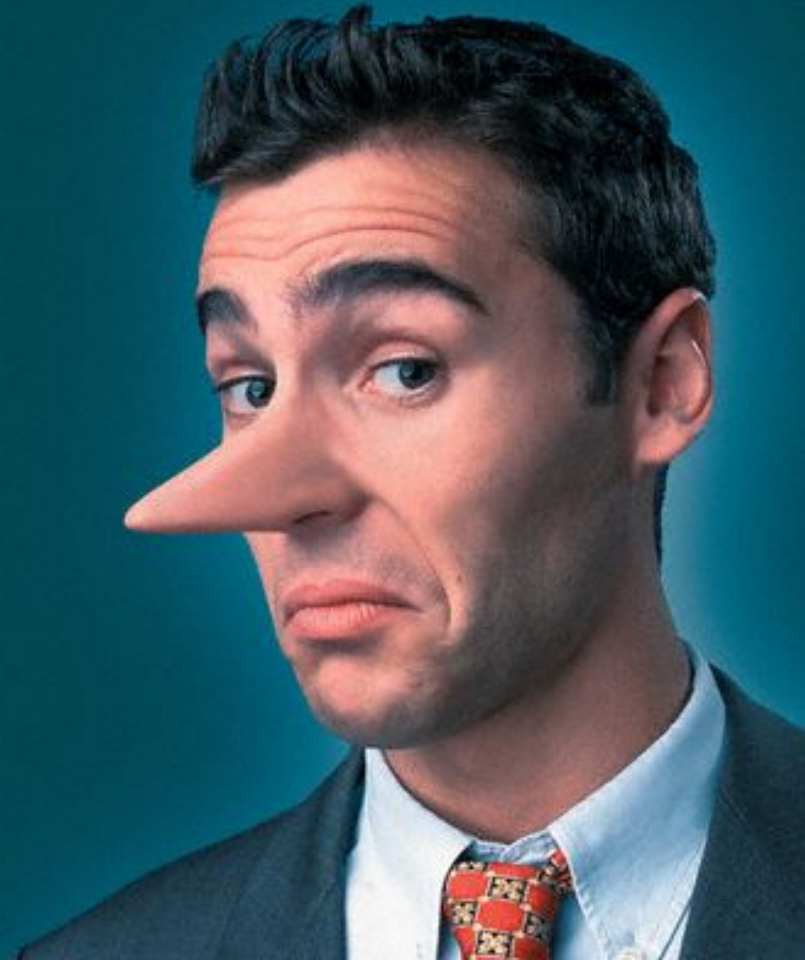

Exercise to get in good physical shape.

**Unless exceptionally skilled, the unhealthy
are at a comparative disadvantage.**

How to Succeed

**Personal integrity is crucial.
People can forgive mistakes
but if you lie, you're gone.**

How to Succeed

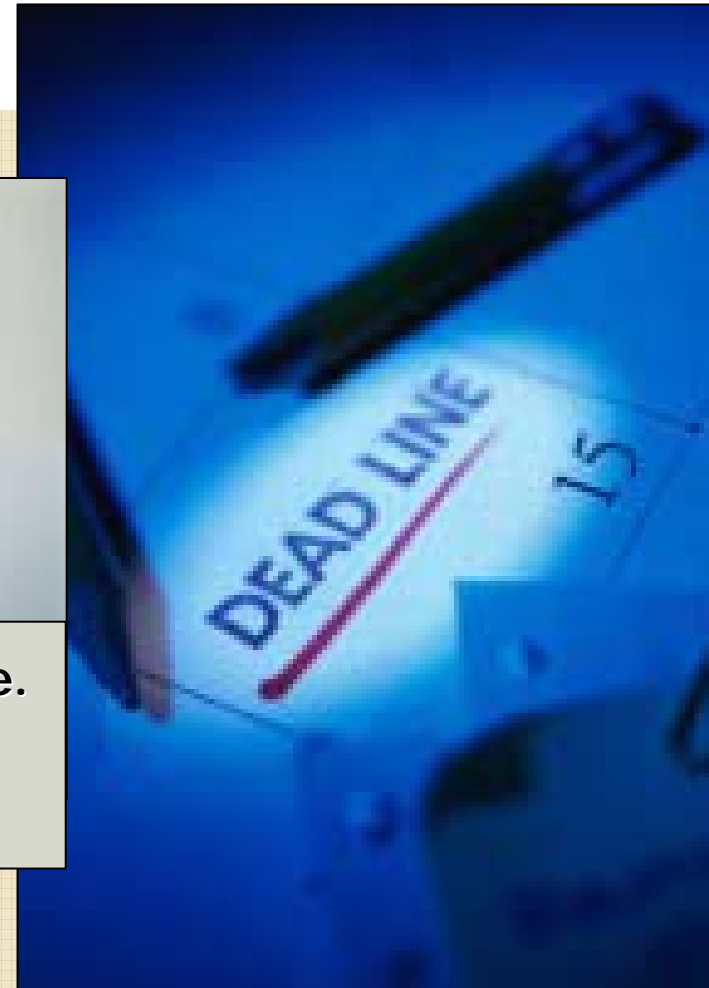

**Be on time.
Arrive early.
It saves you from stress.
You'll be much relaxed & work better**

How to Succeed

Strive your best to keep a deadline.

**If you cannot meet it, then
apologize & ask for an extension**

How to Succeed

Don't take things personally.

**If some people are unhappy with you,
it's their problem.**

And always strive to give your best.

How to Succeed

**If you must correct someone,
don't get personal about it.
Do it never in front of others.**

How to Succeed

Spend some time alone everyday.

What's the mission of my life?

What do I want to be?

What are my dreams?

Who and what can I leverage on?

Who are my mentors?

Who are my coaches?

What is my next course of action?

Trust your intuition and take massive action to make your dreams come true.

How to Succeed

**You chosen career is merely a vehicle to what you want for your life.
It is not an end in itself.
While it is important to focus on your mission,
do not lose sight of your vision.**

How to Succeed

**Remember that the secrets of success is in your passion and in your giving.
Always think big. Market yourself big. Spread love & joy.
Blissful years is certainly yours for life.**
