

My Work Attitude

Work is human beings greatest function

I am nothing, I can achieve nothing

fulfil nothing without working

When I am poor - work

When I am rich - work

**When I am burdened with
unfair responsibility - work**

When I am happy - work

When disappointments come - work

When health is threatened - work

When faith falters - work

When dreams are shattered - work

No matter what else I do - work

Work faithfully, work conscientiously

**Work is the greatest remedy available
for both mental and physical problems**

Therefore, I work, work and work
